

OEA Event Updates Due to COVID-19

OEA Summer Leadership Academy: We are in the process of transforming the in-person 2020 OEA Summer Leadership Academy into a full online virtual conference. The event is still scheduled for June 22-24, 2020 and registration remains open. No registration fees will be charged. As we move the OEA Summer Leadership Academy online to a re-imagined virtual learning experience, our focus will remain the same. That is, to help OEA members at all levels of the association realize and develop skills and talents as leaders of their profession and their association while building relationships and organizing for power. We will still have our Keynote speakers and breakout sessions in the following areas:

- Local Presidents Training (invitation only)
- Organizing
- Professional Issues
- Student Success and Supports
- Leadership Development
- Government Relations and Communication Electives

We hope that you will join us at the re-imagined 2020 OEA Virtual Summer Leadership Academy to celebrate our People, Power and Possibilities. We will be sending more details as they become available.

OEA Minority Leadership Training Program (MLTP): This event, which was scheduled for June 12-13, 2020, is postponed and will be rescheduled for a date later this year. This successful program is coordinated in partnership with the National Education Association Center for Social Justice. We are working closely with NEA to collaboratively reorganize the delivery of this program.
