BOWLING

with OEA

OEA is excited to host the 2024 OEA Fund Annual Bowling Event in Columbus and District Bowling Events. Proceeds benefit the OEA Fund.

All events include food, beverages, awards, prizes, and spaces for kids to join their parents.

- Friends and family are welcome.
- Please RSVP in advance so there is plenty of food and beverages for everyone.
- Members who would like to bowl but don't have a team can register as individuals and OEA will place them on a team.
- OEA Fund contributions should be made online in advance. Use <https://www.ohea.org/bowling-with-oea> or QR code provided.

The OEA Fund Bowling Events offer a great way to compliment an OEA Fund Drive in your locals.

Please contact **Zach Roberts** or **Dominic Mendiola** for information on how to run a successful OEA Fund Drive.
